PROGRAM
POSTAL SERVICE**

NEEDLE AND SYRINGE EXCHANGE POSTAL SERVICE

The WAAC NSEP offers a postal services for clients in the Perth metropolitan area as well as those in regional and remote WA. This services allows customers to access sterile injecting equipment to be delivered to their homes at no cost, with no exchange. Standard NSEP prices will be charged for harm reduction equipment such as tourniquets and sterile injecting water.

No used equipment is to be returned by mail.

To place an order you can call WAAC on (08) 9482 0000 during business hours, or email nsep@waac.com.au

You can also scan the QR code, head to our website and fill out the order form!

please note: all orders will be sent in plain and discreet packaging
