

LET'S TALK ABOUT

CONSENT

ASK

The best way to know you have consent is to ask!

"Can I kiss you?"

"Does this feel good?"

"Do you like it when I..."

LISTEN

Pause, listen, and hear the answer, and if you are unsure, ask again!

"Yes you can kiss me"

"No, let's try something else"

"Yes! Don't stop!"

OBSERVE

Body language is also important when communicating consent!

Communicating with your body may look like:

Tensing up

Pushing away

Pulling closer

RESPECT

Everyone has the right to decide what to do with their body.

A person's choice should be respected.

"Let's take a break"

No! yes!

"Ok, no worries!"
